116 To S. May Jr.

Weymouth Thursday
Oct 21. 1852?

Dear Mr May

Thank you for your note respecting Thorndike Hall. I was not surprised at the decision, for I take it, that Mr Amory has been just joining his answer till he was able to see how he could make the most money, & the parties have carried the day.

I think Amory Hall on next move, & will

take immediate action
about it. As we positively
can have Boylston Hall
as a last resource, we
will not quite despair.

I am very sorry to
hear of your address ill
use & truly sympathize
with all yours & Mrs
May's anxiety. I hope
ere this she is better.

There is no way, my
dear Mr May, in which
I should feel your kindness
so sensibly as in respect
to literary help.

If you would immediately
write your liberty Bell
contribution, it would
assist me greatly
Mr Garrison, Wendell,
E.L. are all one of
my creed, & when I
shall receive their
contributions I am quite
unable to say.
Can you not give me
the result of a quiet
Leicester Sunday?
With love to Mrs May &
Addie
Yr very truly
A. W. Weston.
